Dear Zach,

All I can say is "Bravo, Bravo, and Bravo!"

This year's THE PARTY was hugely successful and a lot of the success is attributable to the headlining entertainment provided by the Al McKay Allstars. Days after the event, I continued to hear glowing praise about the Allstars - how energetic the show was what excellent musicians they were and how much fun everyone had. One of my long-time volunteers (this was our 8th year presenting this Commencement party) said to me, "I think this was my most favorite band so far." And, that's no small feat considering we've had such notable acts as KC and the Sunshine Band, Chic and the B-52's perform at this event in the past.

On behalf of the university, I would like to thank you for an awesome evening. Our 3000 guests had a fabulous time as evidenced by how continually full the dance floor was and the event was the ideal kick-off for the 3 days of Commencement festivities.

It was a pleasure working with you and the band and you are by far one of the easiest groups I've had to deal with while producing this event.

I wish you, Mr. McKay and the Allstars continued success and would gladly recommend you to other universities looking for a similar type show that features the music of Earth Wind and Fire.

It was a memorable evening and great fun!

Best,
